## APPLICATION FOR COURSE CREDITCREDIT TRANSFER

### Applicant information

The following guidelines apply to applications for credit at Global Institute:

- Course Credit is the recognition of learning achieved through formal education and training. Qualifications and statements of attainment issued by any RTO are to be accepted and recognised by all other RTOs, unless licensing or regulatory requirements prevent this.
- Any student is entitled to apply for Credit in a course or qualification in which they are currently enrolled.
- Students may not apply for Course Credit for units of competence or qualification which are not included in Global Institute 's scope of registration.
- Whilst students may apply for Course Credit at any time, they are encouraged to apply before commencing a training program.
- The student does not incur any fees when applying for Course Credit.
- Course Credit may only be awarded for whole units of competence.
- Course Credit will only be issued when the student's enrolment includes at least one other unit of competency for which the student is participating in training or is seeking recognition. Students may not enrol only for Course Credit.
- To apply for Course Credit, the applicant must complete and submit the following documentation to Global Institute :
  - Course Credit Application Form (this form)
  - Certified copy of the qualification(s) or Statement(s) of Attainment and USI transcript(s) where available
  - Student Enrolment Form

### International students

For international students, the granting of course credit will mean early completion of their qualification and the College will notify DoHA of the change to the duration of study through PRISMS reporting. This may affect the student's visa.
